YOUR TRUSTED PARTNER FOR

Propane Supply

At U.S. Energy®, we combine over 70 years of expertise with a relentless drive to *Stay Ahead*® in delivering energy solutions that work for you. We know companies like yours are the backbone of propane delivery. That's why we've tailored our propane services to make your job easier and more efficient.

With the recent acquisition of propane storage and terminal assets in Northeast Wisconsin, we're better positioned than ever to provide the propane supply and support you need to succeed.

Why partner with U.S. Energy?

● SUPPLY SURETY

When it comes to propane, reliability is key. At U.S. Energy, we are proud to offer a dependable supply chain backed by strategically located terminals designed to keep your business moving. Our commitment to uninterrupted service ensures you always have access to propane supply, where and when you need it.

● COMPETITIVE PRICING

Your margins matter. That's why we offer transparent, fair pricing that allows you to stay competitive in your market. With U.S. Energy, you get the cost advantages of a major supplier without sacrificing quality or service.

● FAST AND RELIABLE LOADING

Every minute counts in your business. That's why we prioritize fast, hassle-free loading with modern systems designed to get your trucks back on the road quickly.

● A FOCUS ON SAFETY AND SUSTAINABILITY

At U.S. Energy, safety and sustainability are woven into everything we do. From receiving the ILTA Safety Excellence Award for 12 years straight to incorporating vapor recovery systems and energy-efficient upgrades at our terminals, we ensure both your team and the planet benefit from our operations.

HIGHLIGHTS AT A GLANCE:

Enhanced Propane Supply

Expanded propane storage and distribution through our new Green Bay terminal assets.

Connected rail lines for additional storage and versatility in distribution.

Dedicated to Your Needs

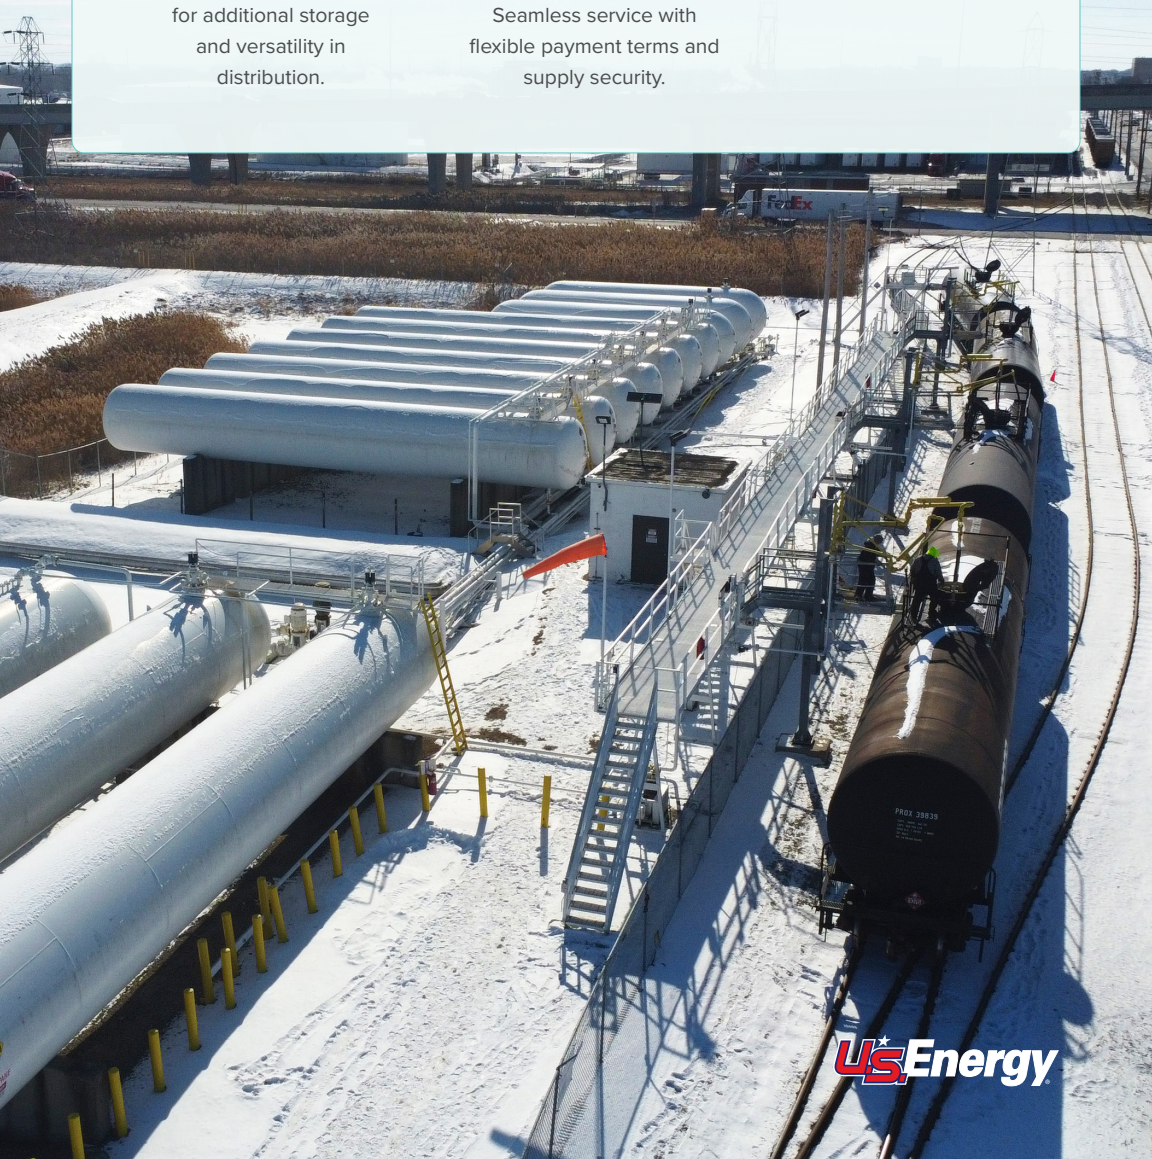

On-site teams, with your teams' safety and efficiency as their #1 priority, to answer driver questions and maintain site uptime.

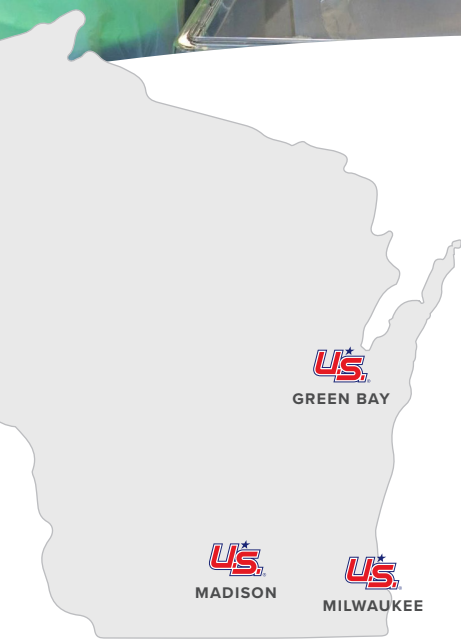

Seamless service with flexible payment terms and supply security.

Built for the Future

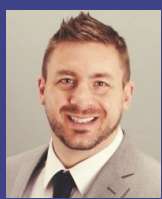

Commitment to improvements in sustainability, including the use of energy-saving technologies and solar installations.

GIVING BACK TO Northeast Wisconsin

At U.S. Energy®, giving back is part of who we are. With deep roots in Northeast Wisconsin, our parent company, U.S. Venture, Inc., is proud to invest in the communities where we live and work. Our commitment goes beyond energy. We focus on creating meaningful change through volunteerism, philanthropy, and local partnerships. In 2024, our total philanthropic impact totaled nearly \$17 million. Many of those dollars stayed in Northeast Wisconsin to support critical, basic needs for our neighbors.
